

Co-funded by the Erasmus+ Programme of the European Union

Futureproofing companies and businesses in the Tourism Sector across Europe

CREDinGREEN is a European partnership of tourism expertise from industry and education collaborating on an innovative and flexible training program that enables company managers and their staff to embrace the significant long-term challenges facing the tourism sector posed by climate action and the aftermath of the Corona pandemic. This 2-year cooperation project is co-funded by the EU Commission through the Erasmus+ programme.
